DETAILED ACTION

Allowable Subject Matter

Claims 1-14 and 15-58 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding independent claims 19, 27, 34, 36 and 42 examiner agrees with applicant that nowhere in the prior art is found a first opening in the housing for enabling a flat battery to be inserted through the opening into the recess, nor does the prior art teach or suggest a second opening for a pusher member into the recess pushing the battery in to the recess.

Claims 20-26, 28-29, 53, 12-14, 35, 52 1-6, 37-41, 43 and 58 are allowed because of its dependency upon claims 19, 27, 34, 36 and 42 respectively in addition to allowed claims indicated in the previous office action.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John A. Ward whose telephone number is 571-272-2386. The examiner can normally be reached on Monday - Friday.
